

PHYSICAL EXAMINATION FORM

(To be filled out on **both** sides by examining physician and returned to candidate.)

Dear Doctor:

You are being asked to examine this candidate for entry into the Skip Barber Race Series. If you find him/her physically and psychologically fit, and he/she passes his/her other tests, he/she will then be granted a license, which will enable him/her to drive a competition car at extremely high speeds under the most exacting condition. Not only his/her own life, but also quite possibly the lives of many others will depend upon whether or not he/she is approved to participate. Please, therefore, examine him/her carefully and critically, and recommend him/her only if you are completely satisfied in all respects. You will thus be doing not only the applicant but also our sport and yourself a service by conducting this examination as carefully as possible.

ALL CADIDATES AGE 40 AND OVER SHOULD HAVE AN EKG AS PART OF THIS EXAMINATION AT THE DISCRETION OF THEIR PERSONAL MD.
